Voice Lessons To Go Review And Giveaway

November 21, 2008

Have you ever wanted to sing professionally? Or just sing better at karaoke, like I want to? If so then [Voice Lessons To Go](#) are for you.

The first 2 Lessons on CDs created by Ariella Vaccarino who has been teaching Voice and Piano for over 15 years. She is an accomplished Opera singer, having studied voice at USC. She has also performed on many movie sound tracks.

So if you are racking your brain trying to come up with a fun, gift idea? If so, consider giving the gift of voice. Perhaps you have aspiring singers in your life looking for a more individualized experience than can be achieved through the CDs alone. Then how about the gift of a vocal assessment?

Your Vocal Assessment - First Impression

You send me 1 minute of your voice, and I reply back to you with my first impression. A quick blurb. For example: Lot's of talent, watch your upper register, your larynx seems to rise as you go for the high notes. Try and sing more grounded and on your breath, if you can think down deep in your body as you go higher. Have you considered renaissance music- would be a fabulous match for your vocal quality? Here is how that works:

Your Vocal Assessment - Quick Insight

You send me 1 song and 2 questions that you have about your voice. You will receive a longer assessment and my help with your questions.

Your Vocal Assessment - Real Feedback

You send me 2 songs and up to 3 questions about your voice. I will give you an even longer assessment which may include sample vocalizes, song recommendations, etc... plus I will answer all your questions to the best of my ability.

Your Vocal Assessment - Mini Lesson

You send me up to 3 songs and up to 7 questions. I will give you a full assessment and any ideas I have that can help you, plus I'll answer all your questions.

I have been given the first two [Voice Lessons To Go](#) to give away to one Dirty Shirt reader who wants to work on their voice or perhaps become the next American Idol? If you would like to try these see the rules below to enter.

- MAIN RULE - Tell me in comments what your favorite song to sing is or who your favorite singer is. (remember if this rule is not followed then no others will count)
- 1 Extra Entry - Subscribe to my RSS feed or by email (or let me know if you already are) in a separate comment
- 1 Extra Entry - Place my Christmas Giveaway button on your side bar and leave a separate comment
- 1 Extra Entry - Stumble this post and leave your Stumble name (I will be checking) in a separate comment
- 1 Extra Entry - Favorite The Dirty Shirt in Technorati and leave your name (I will be checking) in a separate comment

This Christmas Giveaway will run through the month of November ending at midnight on November 30th. Winner will be chosen using Random.org from all valid entries and submitted to PRIZEYWinners as well as notified via email the first week of December. Winner will have 48 hours to contact me before another winner is chosen. Giveaway is open to U.S. residents only.
